

Outstanding multifunctional performers in B/W and colour

Astonish with in-house professional documents

With deadlines creeping closer, pressure is on the rise. Impeccable output needs to be delivered faster and more cost-efficiently. The MP C4000/ MP C5000 offer all the features you need. Every black-and-white functionality in the book is present. You also obtain additional colour capabilities, advanced faxing and colour network scanning. Superior in many ways, these compact and user-friendly document managers will fit right into your existing network. They boast fast output speeds and versatile finishing options to produce professional-looking output swiftly. In addition, these network communication hubs place a wealth of distribution and security possibilities at your fingertips. Put your company in the spotlights through quality and efficiency.

- All-in-one: print, copy, scan and fax from one device.
- Fast output speeds: 40/50 ppm in both black and white and colour.
- Excellent usability & up-to-date security.
- Outstanding 1,200 dpi image quality with PxP™ toner.
- Full colour scanning at 60 pages per minute.
- Astonishing productivity guaranteed by Induction Heating Technology.
- Scan to USB function.

Raising the bar for document management

Optimise your entire document-handling process to achieve a more efficient office workflow. The MP C4000/MP C5000 bring you all the necessary tools to do just that. With the added value of colour, these multifunctional devices will lift your office to a higher standard.

Complex tasks made easy

Designed to simplify your daily workflow, the MP C4000/MP C5000 allow you to create first-class documents with the greatest ease.

- Advanced widescreen colour LCD touch panel for straightforward usability.
- Simplified display showing only your most frequently used functions.
- Animated user guidance in case of irregularities.
- Easy-handling paper trays for increased accessibility.
- Simple and fast toner replacement.

Experts in finishing

Why resort to expensive outsourcing when you can create professionally-finished documents in-house? The MP C4000/MP C5000 offer an entire range of possibilities to meet your needs. Staple and collate with the 1,000-sheet or 3,000-sheet finisher. Alternatively, create attractive sales, training and presentation material with the 2,000-sheet booklet finisher.

Impressive colour

Boost your business image with high-impact colour documents. The MP C4000/MP C5000 ensure that you obtain expert results with impeccable detail and sharp images. For special applications like menu cards and cover pages, the devices handle stock of up to 256 g/m². Everything is available to increase the effect of your business communication!

Cost-saving Internet faxing

Reduce costs and optimise efficiency by using the Internet for long distance faxing. Not only do you save the cost of international phone calls, you also increase your productivity. Internet faxing is as easy as sending an e-mail.

Efficient printing

With RPCS™'s icon-based interface, any print job is only one click away. You can even save your own print settings under a personal icon for future one-click use. Additionally, the MP C4000/MP C5000 boast a number of practical print functionalities:

- 1 Protect documents with a password.
- 2 Hold print jobs until a more convenient time.
- 3 Produce print samples to avoid misprints.
- 4 Store print jobs for quick and easy reprinting.

Optimal document management

For streamlined document handling, all your print, copy, fax and scan data can be stored and managed. Simply access the device via the widescreen colour LCD touch panel. Then browse through your stored data in a list or with thumbnail view. Web Image Monitor provides extensive management functions anywhere, anytime. Retrieve, view, re-organise, change or delete stored data and files through a web browser at your convenience.

Advanced business faxing

Turn your fax communications into a very smooth-running and efficient workflow. A wealth of smart capabilities is at your disposal:

- Automatically distribute incoming faxes to e-mail or folder.
- Forward faxes to a single person or an entire workgroup for optimum efficiency.

Inbound fax messages automatically go to the right person. You eliminate the distribution of printed faxes and save costs.

GlobalScan NX

Our intuitive GlobalScan NX streamlines your workflow with flexible scanning and distribution. Via an easy-to-use Graphical User Interface (GUI), preset icons with your customised document format and workflow. You can now scan in a single step from the MP C4000/MP C5000's control panel.

Think green

Gestetner uses toxic-free materials for all its hardware. Our low-energy toner production methods are unique. With low power consumption, clean and quiet operation and duplex functionality, the MP C4000/MP C5000 take environmental care even further.

Your intelligent, multi-talented office partner

As your business grows, so does the number of office tasks. To cope with current and future demands, the MP C4000/MP C5000 are productive, customisable document managers. Integrating efficient distribution and optimum security, they will be your preferred office partners for years to come.

- Excellent colour and B/W productivity.
- Flexible distribution.
- Extended security features.
- Embedded Software Architecture™.

First-class multifunctional performance

The MP C4000/MP C5000 efficiently combine printing, copying, scanning and faxing. Short warm-up times and first output speeds make short work of any job. Simplex, duplex and full-colour outputs are produced at a swift 40/50 ppm. The Induction Heating fusing belt system produces prints fast without compromising on quality. Even demanding jobs are completed in one smooth run with a 4,400-sheet paper capacity.

Distribution to fit your needs

In the digital info flow, transition between electronic and hard-copy documents must be seamless. Scanned documents can easily be filed for later retrieval. Deliver them to any location worldwide via shared network folders, e-mail or the web (using FTP). To reduce network traffic, heavy files can be downsized into high-compression PDFs. Those maintain excellent image quality while minimising overloads.

Safeguard access & information

Protecting your business against security threats is vital.

The MP C4000/MP C5000 guarantee your peace of mind without ever interrupting your workflow. Equipped with the latest in security, they:

- Prevent unauthorised access, using Windows® authentication and a PIN code to access print jobs.
- Overwrite temporary data on the systems' Hard Disk Drive using the Data Overwrite Security Unit.
- Make unauthorised copying result in illegible output with the Copy Data Security Unit.
- Encrypt scanned PDF data for safe transmission.

Customised software solutions

The MP C4000/MP C5000 feature Gestetner's Embedded Software Architecture™ to meet your current and future requirements.

This innovative Java™ (J2ME™)-compatible software development platform designs customised key applications. Integrated solutions control the way in which the MP C4000/MP C5000 interact with and enhance your document workflow.

Full colour:
40/50 ppm

COPIER

Copying process:	Laser beam scanning and electro-photographic printing	
Copy speed:	MP C4000: B/W / full colour: 40 copies per minute	MP C5000: B/W / full colour: 50 copies per minute
Resolution:	600 dpi	
Multiple copy:	Up to 999	
Warm-up time:	MP C4000: 34 seconds	MP C5000: 51 seconds
First output speed:	MP C4000: B/W / full colour: 3.9/6.5 seconds	MP C5000: B/W / full colour: 3.5/5.9 seconds
Zoom:	25 - 400% (in 1% steps)	
Memory:	Standard: 1,024 MB + 160 GB Hard Disk Drive (shared with printer/fax/scanner function)	
Paper input capacity:	Standard: 2 x 550-sheet paper trays 1 x 100-sheet bypass tray	Maximum: 4,400 sheets
Paper output capacity:	Maximum: 3,675 sheets	
Paper size:	A6 - A3	
Paper weight:	Paper trays: 60 - 256 g/m ²	Bypass tray: 60 - 256 g/m ² Duplex tray: 60 - 169 g/m ²
Duplexing:	Standard	
Dimensions (W x D x H):	670 x 677 x 760 mm	
Weight:	Less than 130 kg (with ARDF)	
Power source:	220 - 240 V, 50/60 Hz	
Power consumption:	Operation: Maximum 1.6 kW	Energy saver mode: Less than 137 W
	Auto Off mode: Less than 2.9 W	

PRINTER

Print speed:	MP C4000: B/W / full colour: 40 prints per minute	MP C5000: B/W / full colour: 50 prints per minute
Printer language:	Standard: PCL5c, PCL6, RPCS™	Option: Adobe® PostScript® 3™
Resolution:	1,200 x 1,200 dpi	
Interface:	Standard: USB 2.0 USB Host I/F Ethernet 10 base-T/100 base-TX	Option: Bi-directional IEEE 1284/ECP Wireless LAN (IEEE 802.11a, b, g, WPA support) Bluetooth Ethernet 1000 base-T USB 2.0/SD Slot
Network protocol:	TCP/IP, IPX/SPX, AppleTalk	
Supported environments:	Windows® 2000/XP/Vista/Server 2003/Server 2008 Novell® NetWare® 3.12/3.2/4.1/4.11/5.0/5.1/6/6.5 UNIX Sun® Solaris 2.6/7/8/9/10 HP-UX 10.x/11.x/11iv2/11iv3 SCO OpenServer 5.0.6/5.0.7/6.0 RedHat® Linux 6.x/7.x/8.x/9.x/Enterprise IBM® AIX v4.3/5L v5.1/5L v5.2/5L v5.3 Macintosh OS 8.6 or later (OS X Classic) Macintosh OS X v10.1 or later (native mode) IBM® System i5™ HPT SAP® R/3® NDPS Gateway AS/400® using OS/400 Host Print Transform	

SCANNER

Scan speed:	B/W / full colour: Maximum 63/60 originals per minute (LEF, A4)
Resolution:	Maximum 1,200 dpi
Original size:	A5 - A3
Output formats:	PDF/JPEG/TIFF/High compression PDF
Bundled drivers:	Network, TWAIN
Scan to e-mail:	SMTP (optionally with POP authentication)
Scan to e-mail destination addresses:	Maximum 500 per job
Stored destination addresses:	Maximum 2,000
Address book:	Via LDAP or locally on Hard Disk Drive
Scan to folder:	SMB, FTP, NCP
Scan to folder destination:	Maximum 50 folders per job

SOFTWARE

SmartDeviceMonitor™, Web SmartDeviceMonitor™, Web Image Monitor, DeskTopBinder™ Lite

FAX (option)

Circuit:	PSTN, PBX
Compatibility:	ITU-T (CCITT) G3 ITU-T (T.37 full mode) Internet fax ITU-T (T.38) IP fax
Modem speed:	Maximum 33.6 Kbps
Resolution:	Standard/detail: 200 x 100/200 dpi Maximum: 400 x 400 dpi (option)
Compression method:	MH, MR, MMR, JBIG
Scanning speed:	0.50 seconds (A4, SEF, standard/detail mode)
Memory capacity:	Standard: 4 MB Maximum: 28 MB
Memory backup:	Yes

OTHER OPTIONS

Platen cover, 100-sheet Auto Reverse Document Feeder, Scanner accessibility option, 2 x 550-sheet paper trays, 1,200-sheet side large capacity tray, 2,000-sheet large capacity tray, 1,000-sheet multi-tray finisher, 2,000-sheet booklet finisher, 3,000-sheet finisher, Several punch kits, 2nd G3 port, Fax memory unit, Internal shift tray, Browser unit, Camera Direct Print card, VM card, File Format Converter, Data Overwrite Security Unit, Copy Data Security Unit, HDD encryption unit, Counter interface unit, Key counter bracket, One bin tray, Bridge unit, Remote communication gate, GlobalScan NX, Card authentication package, Professional software solutions
